(2.) Plaintiff wants to redirect his complaint to the City of Montgomery for monetary damages at \$ 25,000.00

(3.) Plaintiff is no Attorney and is requesting that this Magistrate Judge note that he is Indigent and is in need of an Attorney in this Matter. Please help me?

(4.) When I filed my complaint I was sure that I had good faith basis for believing that my constitutional rights had been violated.

After all, I did the time on that Case in 2002 and in 2005 with merit. To dismiss would be injustice...
